Members of the Planning Commission and City Council---

I am writing this letter to express my objection to the proposed expanded hours and scope of the Woody's Wharf establishment to that of a Night Club in nature. While I am for conscientious economic development, I am at a loss to understand how Staff can recommend the proposed application, given that:

1. The City Police Department has expressly registered concern and objection;
2. The establishment has a long history of nuisance and public health and safety violations;
3. The public has repeatedly expressed concern and objection to continued expansion of late-night bar type businesses ,as the community already has a concentration of drinking establishments with loitering and loud, disorderly behavior----behavior which spills into the nearby residential neighborhoods .

Thank you for your consideration.
